

WILSON MCCOY P.A.
— WORK MATTERS —

CRITICAL NEEDS ADVICE PLAN (“CNAP”)

At Wilson McCoy, work matters, family matters, and community matters. We believe price should never be a deterrent to quality legal advice, especially in a time of critical need. To help serve our community during the pandemic, Wilson McCoy has created its 3-month Critical Needs Advice Plan (“CNAP”).

Through the CNAP, employers of all sizes are provided with access to affordable legal advice. The goal of the CNAP is to help employers keep their doors open, keep their people employed, and help them strategically comply with each law which may impact their businesses.

During the duration of the CNAP, employers can ask our attorneys unlimited questions each month for less than the price most law firms charge per hour. There are no long-term commitments or hidden fees. Employers get practical legal advice at a time when they need it most. And, when more than just advice is needed, CNAP clients will receive additional discounts for all other hourly and flat-fee services. The table below reflects current CNAP pricing.

Number of Employees/Contractors	Monthly Price (3-month Contract)
1-4	\$100
5-14	\$175
15-25	\$250
26-49	\$325
50 or more	\$400

Wilson McCoy looks forward to serving your business as a trusted legal advisor and business partner. Should you have any questions about the CNAP or other legal services, please do not hesitate to contact us at (407) 803-5400 or info@wilsonmccoylaw.com.
